Section 8

Site Plan (for approval to operate existing sewage management system)

Sketch the site plan showing the location of the existing sewage management system; any related effluent application areas and the location of waste fittings, drainage lines and disposal areas.

A large, empty rectangular area intended for the applicant to draw a site plan. The plan should show the location of the existing sewage management system, effluent application areas, waste fittings, drainage lines, and disposal areas.

Note 1

Submission Requirements

New Installations

1. Two copies of plans drawn to scale showing:
 - (a) The location of the proposed sewage management system; any related effluent application areas and the proposed location of waste fittings, drainage lines and disposal areas.
 - (b) Any buildings or facilities existing, and any environmentally sensitive areas of land located within 100 metres of the sewage management facility or effluent application areas.
2. Full specifications for the proposed sewage management system.
3. Details of a site assessment that includes the site topography including slope, soil composition and vegetation coverage of any effluent application areas related to the sewage management system. Discussion of the suitability of the system proposed to the site conditions and constraints.

Approval to Operate for existing sewage management system

- One copy of the following:
1. Specifications of the existing sewage management system.
 2. Site plan showing the location of the existing sewage management system; any related effluent application areas and the location of waste fittings, drainage lines and disposal areas.

Privacy Notification (Privacy and Personal Information Protection Act 1998 - Section 10)

The personal information that Council is collecting from you on this application form is personal information for the purposes of the Privacy and Personal Information Protection Act 1998 ('the Act'). The intended recipients of the personal information are officers within the Council and any person wishing to inspect the application in accordance with the Local Government Act 1993. The supply of the information by you is not voluntary and if you cannot provide or do not wish to provide the information sought, the Council will be unable to process your application. Council is collecting this personal information from you in order to comply with the requirements of the Local Government Act 1993. You may also make application for access or amendment to information held by Council. You may also make a request that Council suppress your personal information from a public register. Council will consider any such application in accordance with the Act. Council is to be regarded as the agency that holds the information. Enquiries concerning this matter can be addressed to Council on telephone 4227 7111.
